### FUNDING GUIDELINES

Community Choice Foundation is a non-profit 501(c)(3) organization committed to serving local non-profits.

To qualify for project funding, your organization must be within our field of membership. Please see the "About Us" section on our website [cccfoundation.com](http://cccfoundation.com) for a list of the counties we serve.

If you have questions regarding eligibility, please reach out to:

### REVIEW PROCESS

The Community Choice Board of Directors assigns a committee member to review each application, collect data and present final applications to the Board of Directors. Your organization may be asked for additional information to submit to the committee or to prove your tax exempt status.

### APPLICATION DETAILS

Please include any supporting documents for consideration.

An electronic application is available online at [CCCUFOUNDATION.COM](http://CCCUFOUNDATION.COM)

If you are requesting funding for more than one project, you must submit a separate application form for each request. Please do not request two projects on the same application form.
